

I find it horrendous that Sinclair Broadcasting can call this a "Special News Report" when it is really an anti-Kerry program! Where is the equal time to smear Bush, if that is what they are seeking to do? FOX-TV is far from "Fair and Balanced". They are a springboard for the extreme Right wing agenda and oh how they love George W. Bush. I am furious and outraged at this smear attack against Senator John Kerry who is a war hero and a man who had the courage to speak out against the war in Vietnam. He deserves better than this scurrilous smear tactic from a company owned by the very right winged Rupert Murdoch.
